Frequently asked questions

What's that?

How are you?

How are *you*?

What's for dinner?

Where's the bathroom?

Is there life after death?

Are we there yet?

Or do you think the *beige* is better?

Really?

Why?

So what?

Oh, yeah?

Who cares?

Are you crazy?!

Are we there yet?

Hey, I left three messages, why isn't she calling me back?

If two plus two makes four, then two plus three makes...?

Could you get that to me by this afternoon?

We could put the print cushions on the sofa next to the lamp, but they could go on the stuffed chair beside the curtain?

When does it start?

What's up?

Know what I mean?

Shouldn't it go the other way around?

Couldn't you have told me that before?

Oh my God, what did she say about me?

What?

How do *you* know?

About *me*?

If Bob leaves for work at 8 in the morning and drives an average of 35 miles an hour, and Susan leaves at 8:15 and drives at 45 miles an hour, who...?

Who was supposed to make the coffee for the 9 o'clock meeting?

Who the hell does he think I am anyway?

Is the 7:20 on time?

Are we there yet?

When did *you* arrive?

Have you heard about the horrible earthquake?

Did you get my e-mail?

How're your kids doing?

Do you mind if I smoke?

Why don't you give me your phone number?

Some black pepper?

Will you also leave on Sunday?

Is this a good time to talk?

Is it something I said?
Is this your first time?
Is this chair taken?
Is white the new black?
What are you working on right now?
So, you're also here?
Haven't we met before?
What do you think right now, I mean really?
Can you recommend a dry white wine to go with this fish?
Have you always been the way you are?
More black pepper?
Aren't female artists so much more sensitive?
How many times have I asked you not to put it in *this* section of the freezer?
How can they put a man on the moon but not design a stupid stapler that works?
I assume that all your OLS regressions are White-adjusted for heteroskedasticity,
right?
What's your question?
Shall we call it a day?
You still don't have any kids?
How many square-meters?
How is he in person?
How can that be?
Why do the poor always have to suffer so much?
Isn't Basquiat overrated?
Can't we just stay friends?
Mac or PC?
How much pasta do I need for three persons?
Oh, why not?
Why do you always take the remote?
Doesn't she know she looks like a slut in that dress?
In what movie again did we see this guy recently?
Is it really that late?
And what happens if I push *this* button?
Who do you think I am, Mother Theresa?
Didn't you get my phone message?
Does my bum look good in this?
Do you really buy this bullshit?
Did you call your mother?
Didn't you make any backups?
Cat or dog?
Shouldn't we be going?
How much were they?
Can I ask you a question?
No, why do you ask?
Would you like to talk about it?
What if we just forget it?
What else could I do?
What were you thinking?
Why didn't you ask?
Really, nothing else?
So, is that it?

That's it?
Did you have fun?
Did we forget anything?
Do you want me to say it again?
What's the catch?
Where's the remote?
Well, what can you do?
What have you got to lose?
Where are my glasses?
Could you repeat that question?
Where did you put it?
Is it worth it?
Wouldn't you like to know?
Am I crazy, or what?
Don't you ever listen to me?
Can't you see I'm busy?
Didn't you say Exit 93?
Why don't you listen to me?
How many times do I have to say it?
Did you find my goddam glasses?
Is everything OK?
Are you sure, doc?
If God is, like, merciful, and omniscient, and all-knowing, and infinite, and all,
like, whatever, you know, why is everything so fucked up?
How much longer does he have?
Can't we do something for the pain?
Are we there yet?

Abstract. What's this got to do with social geography?

Keywords. Innocence, anticipation, confusion, frustration, resignation, desperation, provocation, hostility.

Gernot Grabher, Socio-Economics of Space, University of Bonn
David Stark, Department of Sociology and International Affairs at Columbia University
